

# **One Day Fishing Trip with Friends**

**(PDF format)**

**Eager to Feel the Tug of a Bite and Reel in the Catch**

**Mr. Shngain Kupa Shullai**

**The 5<sup>th</sup> April 2024**

## **Initiation**

**Fishing is the kind of exercise to trap fishes, generally for mind refreshing and food.**

**It is also a popularly known recreational venture activated by humans in the world in order to connect with nature and taking the advantage of relaxation and thrill of fishing.**

**Here are the structured approach about the Plan, Prepare, Process, Analyze, Share and Act processes based on the actual happenings.**

# **Plan**

**Objective: To achieve a successful one day fishing trip**

**Location:**

**Marbari Fishing Pond, GR95+VV2, Meghalaya 793005. A 10 kms. destination.**

**<https://maps.app.goo.gl/vV9YbGSrCuAHtD267>**

**Date:**

**6<sup>th</sup> April 2024 Saturday**

**Time:**

**8:00 am to 5:30 pm IST**

**Weather Forecast:**

**Partly Sunny Temperature 26\* C and 12km/hour Wind.**

**Transportation:**

**Private Mahindra Bolero SUV**

## **Preparation**

**Objective: To Fulfill all necessary requirements for the day**

### **Location Reservation:**

**Contacted arrangements beforehand.**

### **Fish Bait:**

**Best quality Cake and Wheat flour 1 kgs., Any Cream less Biscuits, artificial flavoring agent, Powdered peas of Matar Chana for (smells) flavor 10 gms., Bait container and Additional spare bait of Cow dung worms.**

### **Fishing gears:**

**All time readily prepared pack of: One fiber rod pole with attached casting reel of 9 to 12 feet long, Spare hooks, Lines, Spinning reel, Fish cast (storing) net, Fish collecting net, Homemade floats, bait containers, Umbrella, Torch light, Slipper, Baseball Cap, tackling tools, etc..**

### **Checklist packs:**

**Mineral water, First aid kit, etc...**

### **Communication:**

**Arranging any other available plans like Mutual timing, carpooling with friends and other extra impact left between friends.**

# **Process**

**Objective: To execute the trip systematically and victoriously**

## **The Journey:**

**Wake up early and pickup and meet each other and start the journey to the site at around 7 am and reach the spot at 7:45 am after buying some extra things on the way. Each one of us selected our own respective place to start fishing.**

**First Step: Preparing the bait in a small container with Cake and wheat flour mix with biscuits and flavors.**

**Second step: Distribution of some amount of the prepared baits for attractions.**

**Third step: Preparing and unfolding the Fiber rod to start the game.**

**Fourth step: Preparing all other Preparations left for fishing and also arranging all the equipment in a systematic order for easier access.**

**Fifth step: Adhering to all safety precautions.**

**Sixth step: Start fishing.**

**Seventh step: Ongoing strategy development of feeding patterns based on fish behavior and movements.**

**Eight step: Pre Ordering of Spot Lunch and refreshments.**

## **Analysis**

**Objective: To determine the results of the fishing trip.**

### **Calculation:**

**Performing the total weight of all different types of fishes caught.**

- 1. Bah Kil : 1.35 kgs**
- 2. Gerald : 3 kgs**
- 3. N-gain: 2.75 kgs**
- 4. Roug : 1.75 kgs**

**Total weight of fishes = 8.85 kgs**

### **Challenges:**

**Preoccupation of fishers in some promising catchment spots have minimize the catching rates of our fishing trip**

### **Future Improvements**

**Time: Arriving at the fishing location earlier than any other fishermen.**

**Feeds and Bait: Understanding the appropriate bait for different time of the day is crucial.**

**Fishing Performance: Accurate snag during the tug of a bite is a must.**

## **Share**

**Objective: To contribute lessons learned and experienced**

### **Discussion:**

**Sharing stories of our individual experiences and recounting the fish we missed in our respective attempts.**

**We are thrilled to return to fishing as soon as possible to implement new techniques based on our latest experiences.**

**Sharing our memorable photos and videos to each other.**

**We exchange lots of tricks and tips fully from the latest experiences.**

# **ACT**

## **Objective: Insights implementations**

**According to the conversation we had against each other we have decided to plan another trip within the upcoming month, and we aim to finalize the approximate date as soon as possible.**

**So, we are all individually targeting each feedbacks in our next fishing trips plan  
Improving our outcomes accordingly.**

**We have considered to continuously researching in order to improve our fishing skills.**

## **Summary**

**The chosen location for the trip is satisfactory and there will be no alterations to future trips unless suggestions arise from any member and a mutual understanding always stands appreciated.**

**All necessary arrangements including Fishing Bait, Feeding, Fishing gears, etc. are satisfactory.**

**The next plan to arrive at the fishing location must be earlier than any other fishermen.**

**Feeds and Bait: Understanding the appropriate bait for different time of the day is crucial.**

**Fishing Performance: Accurate snag during the tug of a bite is a must.**
